

## Press Release, Bratislava 10<sup>th</sup> March 2016

From its initiation in 2014, the annual CEE Pension Funds conference held in March in Prague has become a gathering place for the most influential pension funds, industry associations, asset managers, regulators and media within central Europe and beyond. In 2016, for the first time in Central Europe, **Fleming. at its first CEE Pension Funds Awards** has awarded the pension funds industry.

In **four categories** – *Best Long Term Investment Strategy, Best Innovation Pension Fund, Best Risk Management Strategy, Best Fixed Income Strategy* - the award ceremony recognised the best pension funds and their managers setting the benchmarks in quality, skill and distinction for pension funds companies and their managers in Central & Eastern Europe.

In the main category of the whole awards program **Best Pension Fund in CEE 2016**, the esteemed Jury Committee evaluated each entrant from the categories above and automatically considered them as applicants for the main award.

The Winners of the **Fleming. CEE Pension Funds Awards** are:

- **Best Long Term Investment Strategy Award** - *KB First Pension Company Macedonia*
- **Best Innovation Pension Fund Award** - *Pension Fund of Ceska Pojistovna*
- **Best Risk Management Strategy Award** - *Pension Reserve Fund Republika Srpska*
- **Best Fixed Income Strategy Award** - *Aviva Lietuva*
- **Best Pension Fund in CEE 2016** - *KB First Pension Company Macedonia*
